Telescope Eyepieces and Aging Eyes	60
Normal Age-Related Vision Changes	61
High Tech Versus Low Tech.....	64
The Role of Binoculars	68
Binocular Basics	69
Binocular Prisms: Porro Versus Roof	71
Field of View	71
Deciding on Binoculars.....	72
Solar Observing	74
Solar Filters.....	75
Recommendations for Older Astronomers.....	78
Stay Seated.....	84
Binoviewers	85
6 Astronomy Clubs, Public Outreach, Star Parties, and Staying Social in Later Years.....	89
Astronomy Clubs	90
Public Outreach.....	90
Star Parties	91
Typical Large Star Party.....	92
Star Party Etiquette	97
7 Physical and Environmental Challenges of Astronomy in Later Years	103
The Threat of Hypothermia.....	103
Observing in the Fall and Winter.....	105
Heat Stress and Older Adults	107
Dressing for Success in Spring and Summer.....	108
8 Travel, Astronomy Tourism, and Getting Old.....	111
Leisure Travel and Astronomy	111
Top 10 Astronomy Destinations.....	114
U.S. State Department Travel Recommendations.....	119
9 Common Sense, Light Pollution, and Astronomy	123
Buying a Telescope	123
Observing and the Importance of Dark Skies.....	128
10 Wheelchair Astronomy.....	135
Scenario 1—Wheelchair Astronomer with a Caregiver.....	136
Scenario 2—Wheelchair Astronomer Alone.....	136
Scenario 3—Wheelchair Astronomer with Additional Disabilities: Open the Window.....	139
Observatory	141
Observing Site.....	142

11 The Afterlife of Telescope Equipment and Astronomy Books.....	143
Wills and Living Trusts—Astronomy Loving Families.....	145
Wills and Living Trusts—Families Who Have No Interest in Astronomy.....	145
Options for Disposition of Heirloom Grade Telescope Equipment.....	146
Selling Through an Estate Auction	146
Selling Through eBay Auctions	147
12 Final Thoughts	151
Appendix A: Telescope Basics.....	155
Appendix B: Color Filters Use.....	177
Appendix C: Common Telescope Formulas	181
Appendix D: Astronomical League Observing Programs.....	183
Appendix E: North America Star Parties.....	185
Appendix F: Messier Catalog.....	187
Appendix G: Selected Non-Messier Catalog NGC Objects	193
Appendix H: The Caldwell Catalog	201
Appendix I: The Herschel 400	205
