<b>Part I Why a New Approach?</b>	
<b>1 The State of the Art</b> .....	3
1.1 A Sentential, Input-Assimilating Approach.....	3
1.2 The AGM Construction .....	6
1.3 The AGM Postulates .....	7
1.4 Possible World Models.....	9
1.5 Epistemic Entrenchment .....	15
1.6 Conclusion .....	16
<b>2 Inside the Black Box</b> .....	17
2.1 Epistemic Choice .....	18
2.2 The Select-and-Intersect Method.....	19
2.3 Is the Intersection as Good as Its Origins? .....	21
2.4 Do All Success Conditions Withstand Intersection? .....	22
2.5 Do We Select Among the Right Objects?.....	23
<b>3 Questionable Patterns of Change</b> .....	27
3.1 The Postulates of Finite-Based Outcome .....	27
3.2 The Success Postulates .....	29
3.3 The Recovery Postulate .....	30
3.4 Pure Contraction and the Inclusion Postulate .....	31
3.5 The Expansion Property .....	33
3.6 Extending the Language .....	34
3.7 Iterated Change.....	37
3.8 Ten Desiderata for an Alternative Framework .....	42

## Part II Descriptor Revision

<b>4</b>	<b>Putting the Building-Blocks Together</b>	45
4.1	Beginning Without Sentences	45
4.2	Support Functions	49
4.3	Belief Descriptors	53
4.4	Properties of Descriptors	55
4.5	Descriptor Revision Introduced	58
4.6	Conclusion	60
<b>5</b>	<b>Local Descriptor Revision</b>	63
5.1	Monoselective Descriptor Revision	64
5.2	Linear and Centrolinear Revision	67
5.3	Indeterministic Descriptor Revision	70
5.4	Blockage Revision	73
5.5	Relations of Epistemic Proximity	78
<b>6</b>	<b>Global Descriptor Revision</b>	85
6.1	Global Monoselective and Centrolinear Revision	86
6.2	Distance-Based Global Revision	87
6.3	Global Blockage Revision	91
<b>7</b>	<b>Dynamic Descriptors</b>	95
7.1	Representing Autoepistemic Beliefs	96
7.2	Ramsey Descriptors	98
7.3	The Logic of Ramsey Descriptors	100
7.4	Alternative Approaches to Conditionals	105
7.5	Non-Monotonic Inference	107
7.6	Modalities of Belief	111

## Part III Sentential Change Revisited

<b>8</b>	<b>Sentential Revision</b>	117
8.1	Sentential Monoselective Revision	118
8.2	Sentential Centrolinear Revision	120
8.3	Global Sentential Revision	126
8.4	Believability Relations	127
8.5	Multiple Revision and Making up One's Mind	130
<b>9</b>	<b>Revocation</b>	133
9.1	Monoselective Revocation	134
9.2	Centrolinear Revocation	135
9.3	Entrenchment	139
9.4	Multiple Revocation and Entrenchment	143
9.5	A Revisionary Account of Giving up Beliefs	146

<b>10</b>	<b>Contraction</b> . . . . .	151
10.1	How to Construct Contraction . . . . .	151
10.2	Centrolinear and Maximal Contraction . . . . .	152
10.3	Two Impossibility Theorems . . . . .	154
10.4	Monomaximal Contraction . . . . .	155
10.5	Perimaximal Contraction. . . . .	156
10.6	Bootstrap Contraction . . . . .	159
 <b>Part IV Epilogue</b>		
<b>11</b>	<b>Looking Back – and Ahead</b> . . . . .	165
11.1	Looking Back. . . . .	165
11.2	Looking Ahead. . . . .	166
 <b>Appendices</b>		
	<b>Proofs.</b> . . . . .	171
	<b>Bibliography</b> . . . . .	219
	<b>Index</b> . . . . .	231

Descriptor Revision

Belief Change through Direct Choice

Hansson, S.-O.

2017, XVIII, 239 p. 18 illus., Hardcover

ISBN: 978-3-319-53060-4
