

Contents

1	Introduction	1
2	General Equilibrium Theory	7
3	Income Evaluation of Welfare Change: Equivalent Variation, Compensating Variation, and Consumer Surplus	37
4	The Assumption of No Income Effect and Quasi-linear Preferences	71
5	Is the Approximation Error Large or Small?	93
6	Small Income Effects	99
7	Partial Equilibrium Welfare Analysis Under Uncertainty	137
8	Mechanism Design in Partial Equilibrium	163

Bibliography	181
Index	183

General Equilibrium Foundation of Partial Equilibrium
Analysis

Hayashi, T.

2017, XIV, 185 p. 25 illus., Hardcover

ISBN: 978-3-319-56695-5
