## **Part I The Maternal Voice: A Link Between Fetal and Neonatal Period**

- 1 Maternal Voice and Communicative Musicality:  
Sharing the Meaning of Life from Before Birth. . . . .** 3  
Colwyn Trevarthen
- 2 Prenatal Experience with the Maternal Voice . . . . .** 25  
Christine Moon
- 3 The Maternal Voice as a Special Signal for Infants . . . . .** 39  
Sandra E. Trehub
- 4 The Development of Infant Participation in Communication . . . . .** 55  
Maya Gratier and Emmanuel Devouche
- 5 Brain Mechanisms in Emotional Voice Production  
and Perception and Early Life Interactions . . . . .** 71  
Didier Grandjean

## **Part II The NICU Acoustic Environment and the Preterm Infant's Auditory System Development**

- 6 The Sound Environments and Auditory Perceptions  
of the Fetus and Preterm Newborn . . . . .** 91  
M. Kathleen Philbin
- 7 The Auditory Sensitivity of Preterm Infants Toward  
Their Atypical Auditory Environment in the NICU  
and Their Attraction to Human Voices . . . . .** 113  
Pierre Kuhn, André Dufour, and Claire Zores

### **Part III The Early Vocal Contact in the NICU**

- 8 Early Vocal Contact: Direct Talking and Singing to Preterm Infants in the NICU** ..... 133  
Manuela Filippa
- 9 Maternal Voice and Its Influence on Stress and Sleep** ..... 151  
Fabrizio Ferrari, Giovanna Talucci, Luca Ori, Natascia Bertoccelli,  
Manuela Filippa, and Laura Lucaccioni
- 10 Support of Language and Communication Development as a Rationale for Early Maternal Vocal Contact with Preterm Infants** ..... 165  
Manuela Filippa and Pierre Kuhn
- 11 Recorded Maternal Voice, Recorded Music, or Live Intervention: A Bioecological Perspective** ..... 183  
Joy V. Browne

### **Part IV Family-Centered Music Therapy Experiences in the NICU**

- 12 Empowering Parents in Singing to Hospitalized Infants: The Role of the Music Therapist** ..... 205  
Helen Shoemark
- 13 Sounding Together: Family-Centered Music Therapy as Facilitator for Parental Singing During Skin-to-Skin Contact** ..... 217  
Friederike Haslbeck and Pernilla Hugoson

### **Part V Early Family-Based Interventions in the NICU**

- 14 Stress-Sensitive Parental Brain Systems Regulate Emotion Response and Motivate Sensitive Child Care** ..... 241  
James E. Swain
- 15 Mother/Infant Emotional Communication Through the Lens of Visceral/Autonomic Learning** ..... 271  
Martha G. Welch and Robert J. Ludwig
- 16 Implications of Epigenetics in Developmental Care of Preterm Infants in the NICU: Preterm Behavioral Epigenetics** ..... 295  
Rosario Montirosso and Livio Provenzi
- 17 Family-Based Interventions and Developmental Care Programmes: Rationale, Difficulties and Effectiveness** ..... 311  
Jean-Michel Roué, Stéphane Rioualen, and Jacques Sizun

- Index** ..... 329

Early Vocal Contact and Preterm Infant Brain  
Development

Bridging the Gaps Between Research and Practice

Filippa, M.; Kuhn, P.; Westrup, B. (Eds.)

2017, XV, 343 p. 30 illus., 22 illus. in color., Hardcover
