

Contents

1	Land Use/Cover Change and Its Eco-environmental Responses in Nepal: An Overview	1
	Ainong Li and Wei Deng	

Part I Land Use/Cover Change

2	Land Cover Mapping and Its Spatial Pattern Analysis in Nepal . . .	17
	Guangbin Lei, Ainong Li, Xiaomin Cao, Wei Zhao, Jinhu Bian, Wei Deng and Hriday Lal Koirala	
3	Land Cover Change and Its Driving Forces in Nepal Since 1990 . . .	41
	Ainong Li, Guangbin Lei, Xiaomin Cao, Wei Zhao, Wei Deng and Hriday Lal Koirala	
4	Land Use Change and Its Driving Forces in the Koshi Hills, Eastern Nepal	67
	Pushkar K. Pradhan and Puspa Sharma	
5	Historical Land Covers Change in the Chure-Tarai Landscape in the Last Six Decades: Drivers and Environmental Consequences	109
	Motilal Ghimire	
6	Patch Analysis of Cultivated Land Abandonment in the Hills of Western Nepal	149
	Chhabi Lal Chidi	

Part II Eco-environmental Change

7	Review of Ecosystem Monitoring in Nepal and Evolving Earth Observation Technologies	165
	Hammad Gilani, Faisal Mueen Qamer, Muhammad Sohail, Kabir Uddin, Atul Jain and Wu Ning	

8	Spatio-temporal Patterns of the Net Primary Productivity in Southern Himalayas During 2001–2015	185
	Xi Nan, Ainong Li, Wei Zhao, Jinhu Bian, Huaan Jin, Wei Deng and Hriday Lal Koirala	
9	Assessments of Climate Change Indicators, Climate-Induced Disasters, and Community Adaptation Strategies: A Case from High Mountain of Nepal	203
	Binod P. Heyojoo, Nabin K. Yadav and Rajan Subedi	
10	Geo-information-Based Soil Erosion Modeling for Sustainable Agriculture Development in Khadokhola Watershed, Nepal	223
	Umesh Kumar Mandal	
11	¹³⁷Cs Tracing Dynamics of Soil Erosion, Organic Carbon, and Total Nitrogen in Terraced Fields and Forestland in the Middle Mountains of Nepal	243
	Zhengan Su, Donghong Xiong, Wei Deng, Yifan Dong, Jing Ma, Poudel C. Padma and Sher B. Gurung	
Part III Livelihood and Adaptation		
12	Responses in Nepal: An Overview Spatial Features of Poverty and Economic-Impoverished Types in Nepal	263
	Jifei Zhang, Chunyan Liu, Wei Deng, Hriday Lal Koirala, Narendra Raj Khanal and Yi Su	
13	Agricultural Land Use Intensity and Determinants in Different Agroecological Regions in Central Nepal Himalaya	281
	Shanta Paudel Khatiwada, Jifei Zhang, Yi Su, Bikash Paudel and Wei Deng	
14	Livelihood and Land Use Pattern of Melamchi Basin in the Mountainous Areas of Central Development Region in Nepal	307
	Yi Su, Wei Deng, Jifei Zhang, Shanta Paudel Khatiwada and Hriday Lal Koirala	
15	Livelihood Diversification Amidst Shocks and Stresses in the Mountains in Nepal: Experiences from Villages of Mustang	327
	Bhim Prasad Subedi	
16	The Petty Street Vendors and Their Livelihoods of the Kathmandu Valley Cities, Nepal	359
	Puspa Sharma and Pushkar K. Pradhan	

Part IV Geo-hazards, 4.25 Earthquake and Its Impacts

17 Water Hazards in the Trans-boundary Kosi River Basin	383
Ningsheng Chen, Guisheng Hu, Wei Deng, Narendra Raj Khanal, Yunhua Zhu and David Han	
18 Landslides Inventory and Trans-boundary Risk Management in Koshi River Basin, Himalaya	409
Jianqiang Zhang, Amar Deep Regmi, Rongkun Liu, Narendra Raj Khanal, Luca Schenato, Deo Raj Gurung and Shahriar Wahid	
19 Investigation and Analysis of Geohazards Induced by the 2015 Nepal Earthquake Based on Remote Sensing Method	427
Wei Zhao, Ainong Li, Zhengjian Zhang, Guangbin Lei, Jinhu Bian, Wei Deng and Narendra Raj Khanal	
20 Earthquake Mitigation and Its Effect on Eco-environment and Social Development: A Case Study from Tamakoshi River Basin of Central Mountain Region, Nepal.	445
Uttam Sagar Shrestha	
Appendix: Photographs of International Activities and Field Investigations	465

Land Cover Change and Its Eco-environmental
Responses in Nepal

Li, A.; Deng, W.; Zhao, W. (Eds.)

2017, XVI, 478 p. 271 illus., 228 illus. in color.,
Hardcover

ISBN: 978-981-10-2889-2
