## Part I Construction Preparation

<b>1</b>	<b>EHS Concept and Interrelation</b> .....	3
<b>2</b>	<b>Environmental Guidelines and Objectives</b> .....	7
2.1	DuPont. ....	8
2.2	Sony Corporation. ....	10
2.3	China Metallurgical Group Corporation .....	11
<b>3</b>	<b>Team Organization and Personnel</b> .....	15
3.1	Environmental Compliance .....	16
3.2	Environmental Technology and Engineering .....	17
3.3	Environmental Affairs .....	18
3.4	General Framework .....	19
<b>4</b>	<b>Environmental Impact Assessment</b> .....	21
4.1	Definition for EIA .....	21
4.2	Development of EIA Report. ....	21
4.3	Technical Assessment of Environmental Impact. ....	22
4.4	EIA Report Variation .....	24
4.5	EIA Consulting Fee Charge .....	25
<b>5</b>	<b>Soil Assessment</b> .....	27
5.1	Introduction .....	27
5.2	Site Environmental Investigation .....	29
5.3	Risk Assessment .....	39
5.4	Contaminated Land Remediation .....	42
<b>6</b>	<b>Environmental Supervision (Environmental Jian Li)</b> .....	49
6.1	Definition .....	49
6.2	Necessity .....	49
6.3	Environmental Supervision and Administration in Other Countries .....	50

6.4	Different Project Types to Employ for Environment Jian Li . . . . .	53
6.5	Environmental Jian Li's Organization . . . . .	54
6.6	Environment Jian Li Working Procedure . . . . .	55
6.7	Environmental Jian Li's Work Scope . . . . .	57
<b>7</b>	<b>Environmental Monitoring . . . . .</b>	<b>65</b>
7.1	Introduction . . . . .	65
7.2	Environmental Monitoring Objects . . . . .	65
7.3	Environmental Monitoring Institution . . . . .	66
7.4	Standards . . . . .	66
7.5	Monitoring Factors and Frequency . . . . .	67
7.6	The Principle of Monitoring Points . . . . .	67
7.7	The Monitoring Devices . . . . .	67
7.8	The Monitor Alert System . . . . .	67
7.9	Monitoring Methods . . . . .	68
7.10	Baseline Monitoring . . . . .	68
7.11	Online Dust Monitoring . . . . .	68
<b>8</b>	<b>Estimation . . . . .</b>	<b>71</b>
8.1	Gross Estimation . . . . .	71
8.2	Categorized Break-Down . . . . .	72
8.3	Contingency Rate . . . . .	74
8.4	Mid-Term Adjustment . . . . .	74
8.5	Adding Budget . . . . .	75
8.6	Settlement . . . . .	75
<b>9</b>	<b>Environmental Management Procedures . . . . .</b>	<b>77</b>
9.1	Applicable Scope of the Procedures . . . . .	77
9.2	Application of the Procedures . . . . .	78
9.3	Process of the Development of the Procedures . . . . .	78
9.4	Content of the Procedures . . . . .	79
<b>10</b>	<b>Tendering . . . . .</b>	<b>89</b>
10.1	Tender Principles . . . . .	89
10.2	Tender Document . . . . .	90
10.3	Pre-tender Meeting . . . . .	90
10.4	Evaluation . . . . .	91
10.5	On-Boarding After Winning the Bid . . . . .	91
10.6	Tender for Specialized Environment Protection Facilities . . . . .	94
<b>11</b>	<b>The Preparation for Environmental Protection Equipment . . . . .</b>	<b>97</b>
11.1	Temporary Environmental Protection Equipment . . . . .	97
11.2	Permanent Environmental Protection Equipment . . . . .	107
11.3	The Management and Control of Environmental Protection Facilities . . . . .	110

## Part II Construction Process Control

<b>12</b>	<b>Environmental Risks</b> .....	119
12.1	Environmental Risk, Accident, and Evaluation of Environmental Risk .....	119
12.2	Environmental Risks Management of Project Construction ...	120
12.3	Rating Management of Environmental Risk .....	121
12.4	Example of Environmental Incident/Accident of Different Levels .....	124
12.5	Rationality of Environmental Risk Rating .....	137
12.6	Report and Investigation of Environmental Accident .....	138
<b>13</b>	<b>Environmental Administrative License</b> .....	143
13.1	Sewage Discharge Reporting and Registration .....	144
13.2	Nighttime Construction Permit .....	147
13.3	Construction Waste and Spoil Disposal Permit .....	148
13.4	Hazardous Waste Management (Transport) Plan Recording ...	149
<b>14</b>	<b>Training</b> .....	155
14.1	Environmental Training .....	155
14.2	Publicity .....	160
14.3	Competition .....	163
<b>15</b>	<b>Storm Water Drainage</b> .....	173
15.1	Natural Environment .....	173
15.2	Storm Water Drainage at Construction Site .....	176
15.3	Storm Water Drainage Facilities and Capability Assessment .....	181
15.4	Typhoon and Flood Prevention .....	185
<b>16</b>	<b>Waste Water and Sewage Management</b> .....	197
16.1	Construction Waste Water .....	198
16.2	Domestic Sewage .....	206
16.3	Clinical Waste Water .....	224
<b>17</b>	<b>Noise Management/Nighttime Construction Management</b> .....	227
17.1	Basic Noise Measurement Method .....	228
17.2	Application and Permit .....	229
17.3	Identification of Noise Source .....	229
17.4	Noise Monitoring .....	230
17.5	Measures for Noise Control .....	231
17.6	Noise Control of Nighttime Work .....	233
<b>18</b>	<b>Air Quality and Atmospheric Particulate Matter Control</b> .....	237
18.1	Air Quality Effect .....	237
18.2	Dust Monitoring and Dust/Fume Control .....	238
18.3	Cutting Dust .....	243

18.4	Fumes .....	245
18.5	Indoor Air .....	246
<b>19</b>	<b>Solid Wastes Management .....</b>	<b>251</b>
19.1	Definition .....	251
19.2	Collection and Storage .....	252
19.3	Disposal .....	254
<b>20</b>	<b>Hazardous Waste Management .....</b>	<b>255</b>
20.1	Introduction of Hazardous Wastes .....	255
20.2	Hazardous Waste on Construction Site .....	257
20.3	The Disposal of Hazardous Waste on Construction Project ...	259
<b>21</b>	<b>Recycling of Cement, Wood, and Other Resources .....</b>	<b>265</b>
21.1	Essentials of Resources Recycling .....	265
21.2	Source of Recycling Resources .....	266
21.3	Common Treatment Method of Recycling Material .....	267
21.4	The Economic Benefits of Recycling Material .....	271
21.5	The Elements of Managing Recycling Material .....	272
21.6	Conclusion .....	274
<b>22</b>	<b>Environmental Emergency Response Plan .....</b>	<b>275</b>
22.1	Environmental Emergency .....	275
22.2	Rank of Environmental Emergency Incident .....	276
22.3	Environmental Emergency Plan and Organization Structure of Emergency Response .....	277
22.4	Public Relations in Emergency Incidents .....	281
22.5	Training and Drill .....	281
<b>23</b>	<b>Dormitory Environment .....</b>	<b>285</b>
23.1	Design, Build up, and Demolishment of Dormitories .....	285
23.2	Dormitory Daily Environment Issues .....	286
23.3	Responsibility Divide for Dormitory Cleanup .....	287
<b>24</b>	<b>Audit Oversight .....</b>	<b>289</b>
24.1	Internal Audit Management .....	289
24.2	Audit of GC's Environmental Performance .....	294
<b>25</b>	<b>Internal Collaboration .....</b>	<b>307</b>
25.1	Safety .....	308
25.2	Security .....	309
25.3	International Labor Standards (ILS) .....	309
25.4	Project Management .....	310
25.5	Construction Management .....	310
25.6	Contract Administration .....	311
25.7	Quality Assurance .....	311
25.8	Design .....	312

25.9	Procurement . . . . .	312
25.10	Finance. . . . .	313
25.11	Human Resources. . . . .	313
25.12	Public Affairs . . . . .	313
<b>26</b>	<b>External Collaboration . . . . .</b>	<b>315</b>
26.1	Environmental Monitoring Team . . . . .	315
26.2	Environmental Sanitation Bureau . . . . .	316
26.3	Urban Management Department . . . . .	316
26.4	Media. . . . .	316
26.5	Community . . . . .	317
<b>27</b>	<b>Completion Verification Checklist for Environmental Protection . . . . .</b>	<b>319</b>
27.1	Commissioning . . . . .	319
27.2	Extension of Commissioning . . . . .	320
27.3	Monitoring and Investigation in Environmental Protection Completion Acceptance . . . . .	320
27.4	Environmental Protection Acceptance upon Completion . . . . .	320
	<b>Appendix A: Terminologies and Definitions . . . . .</b>	<b>321</b>
	<b>Appendix B: Laws and Regulations in China . . . . .</b>	<b>323</b>
	<b>Appendix C: Environmental Standards . . . . .</b>	<b>327</b>
	<b>Appendix D: Bibliography . . . . .</b>	<b>329</b>

Environmental Management in Mega Construction  
Projects

Yang, J.

2017, XXII, 329 p. 114 illus., 98 illus. in color., Hardcover

ISBN: 978-981-10-3604-0
