	Our Early Years and System 1	67
	Our Tribe and System 1	68
	The Rational System 2	70

Vision	71
Reality Check	72
<b>11 Two Driving Forces in Depth: Mental Models and Team Learning</b>	75
Mental Models: What Are the Dominant Mental Models?	75
Team Learning: Which Group Dynamics Play a Role?	77
The Results of Our Dive into the Lily Pond	79
<b>12 Looking Under the Surface of the Lily Pond: Applying Systems Thinking in Six Steps</b>	81
Going Under the Water Level: Assessing Reality and the Driving Structure	82
Step 1: Tell the Whole Story	83
Step 2: Describe the Behaviour Over Time in Graphs	84
Step 3: Formulate the Focusing Question and Your Scope	85
Step 4: Identify Archetypes or Fixed Patterns	86
Step 5: Increase Your Understanding by Looking Closer at the Driving Forces	87
Step 6: Planning an Intervention	88
<b>13 Pitfalls of Short Time Horizon</b>	93
Fixes that Backfire	94
Shifting the Burden	98
<b>14 Pitfalls of Not Looking Far Enough Around You</b>	103
Escalation	104
Success to the Successful	108
<b>15 Pitfalls of Fear of Facing Reality</b>	113
Drifting Goals	114
Limits to Growth	120
Some Examples	122
<b>16 Pitfall of a Combination of Short Time Horizon and Not Looking Far Enough Around You</b>	125
Accidental Adversaries	125
Building Trust	130

<b>17</b>	<b>Pitfalls of a Combination of Short Time Horizon, Not Looking Far Enough Around You and Fear of Facing Reality</b>	133
	Growth and Underinvestment	134
	Tragedy of the Commons	137
<b>18</b>	<b>Adaptive Leadership</b>	141
	Sit Still	142
	Know the Value Creation Model of Your Organisation	142
	Don't Think You Can Make the System Perfect	142
	Sometimes You Have to Begin a New System or Organisation	143
	Think Holistically: Keep the Whole System in Mind	144
	Make an Honest Assessment of the Situation	145
	Discover the Hidden Assumptions; Verify if Everybody Is Discussing the Same Subject	145
	Bring the Whole System into the Room	146
	Look for Actions with Leverage; Don't Use a Bigger Hammer	148
	Ask Yourself the Questions of the System Thinker	149
<b>19</b>	<b>Systemic Pitfalls in Cooperation; The Pitfalls from a Bird's Eye View</b>	151
	The Value Creation Model	152
	Fixes that Backfire	153
	Shifting the Burden	153
	Escalation	154
	Success to the Successful	155
	Drifting Goals	155
	Limits to Growth	156
	Accidental Adversaries	157
	Growth and Underinvestment	157
	Tragedy of the Commons	158
	The Patterns from a Bird's Eye View on 1 A4	159
