

Contents

1	Biogenic Amines in Cheeses: Types and Typical Amounts.	1
1.1	Biogenic Amines in Foods. Chemical Structures and Biosynthetic Pathways	2
1.2	Analytical Determination of Biogenic Amines in Food Products	4
1.3	Physiological and Toxicological Aspects of the Main Biological Amines Found in Food Products	5
1.3.1	Histamine	6
1.3.2	Tyramine and 2-Phenylethylamine	7
1.3.3	Putrescine and Cadaverine	8
1.4	General Legislation Concerning Biogenic Amines in Foods.	9
1.5	Presence of Biogenic Amines in Cheese.	9
1.6	Biogenic Amines in Cheeses: Technological Aspects.	10
1.6.1	Ripening Time	10
1.6.2	Kind of Milk.	11
1.6.3	pH and NaCl Concentration	12
1.6.4	Storage Time and Temperature	12
1.6.5	Packaging	12
1.6.6	Possible Mitigation Strategies Against Biogenic Amines	13
	References.	14
2	Evolutionary Profiles of Caseins and Degraded Proteins in Industrial High-Moisture Mozzarella Cheeses. A Simulative Approach	19
2.1	Cheese Proteins and Caseins. Chemical Degradation	20
2.2	Protein Evolution in High-Moisture Mozzarella Cheeses Under Refrigerated Conditions	22
2.2.1	Materials.	22
2.2.2	Analytical Methods.	22
2.2.3	Results and Discussion	23
2.3	Conclusions	30
	References.	30

3	Evolutionary Profiles of Caseins and Degraded Proteins in Industrial Low-Moisture Mozzarella Cheeses. A Simulative Approach	31
3.1	Degraded Cheese Proteins and Caseins. The Role of Moisture.	32
3.2	Protein Evolution in Low-Moisture Mozzarella Cheeses Under Refrigerated Conditions	32
3.2.1	Materials	32
3.2.2	Analytical Methods	33
3.2.3	Results and Discussion	33
3.3	Conclusions	36
	References.	36
4	Evolutionary Profiles of Caseins and Degraded Proteins in Industrial Diced Mozzarella Cheeses. A Simulative Approach	37
4.1	Degraded Cheese Proteins and Caseins. The Role of Food Processing.	38
4.2	Protein Evolution in Sliced Mozzarella Cheeses Under Refrigerated Conditions	38
4.2.1	Materials	38
4.2.2	Analytical Methods	39
4.2.3	Results and Discussion	39
4.3	Conclusions	41
	References.	41

Chemical Evolution of Nitrogen-based Compounds in
Mozzarella Cheeses

Barone, C.; Barebera, M.; Barone, M.; Parisi, S.;
Zaccheo, A.

2018, VI, 41 p. 6 illus., 5 illus. in color., Softcover

ISBN: 978-3-319-65737-0
