Part I General Features

1	Definition, Signs, and Symptoms of Endophthalmitis	3
	Vivek P. Dave and Taraprasad Das	
2	Management of Endophthalmitis	9
	Vivek P. Dave and Taraprasad Das	
3	Toxic Anterior Segment Syndrome (TASS) and Noninfectious Endophthalmitis	23
	Vivek P. Dave	
4	Epidemiology and Treatment Trend of Endophthalmitis in Asia.	29
	Jay Siak, May Zun Aung Win, and Soon-Phaik Chee	
5	Epidemiology of Endophthalmitis and Treatment Trend in Europe	45
	Andrzej Grzybowski and Magdalena Turczynowska	
6	Epidemiology and Treatment Trends in North America.	57
	Robert Raut and Derek Kunimoto	

Part II Specific Endophthalmitis

7	Post-cataract Surgery Endophthalmitis	81
	Subhadra Jalali	
8	Blebitis and Bleb Related Endophthalmitis	93
	Sirisha Senthil and Prashant Garg	
9	Traumatic Endophthalmitis	101
	Tapas R. Padhi	
10	Endogenous Endophthalmitis	109
	Soumyava Basu	

11 Fungal Endophthalmitis	117
Umesh C. Behera	
12 Endophthalmitis in Newborns and Preverbal Children	135
Subhadra Jalali	
13 Cluster Endophthalmitis	147
Mudit Tyagi	
14 Endophthalmitis After Intravitreal Injections	157
Raja Narayanan	
15 Post-Vitrectomy Endophthalmitis	165
Vivek P. Dave	
16 Post-Keratoplasty and Corneal Refractive Surgery Endophthalmitis	173
Prafulla K. Maharana, Ruchita Falera, and Namrata Sharma	
17 Endophthalmitis Caused by Gram-Negative Bacteria	185
Nidhi Relhan and Harry W. Flynn Jr.	
18 Endophthalmitis Caused by Methicillin-Resistant <i>Staphylococcus aureus</i> (MRSA)	199
Nidhi Relhan, Stephen G. Schwartz, Avinash Pathengay, Darlene Miller, and Harry W. Flynn Jr.	
19 <i>Nocardia</i> Endophthalmitis	221
Lalitha Prajna	
20 <i>Bacillus</i> Endophthalmitis	229
Vivek P. Dave and Joveeta Joseph	
Part III Science of Endophthalmitis Treatment: Pharmacology	
21 Intravitreal Antibiotics	239
Sharat Hegde and Avinash Pathengay	
22 Corticosteroids in Endophthalmitis	253
Shreyansh Doshi and Avinash Pathengay	
23 Pharmacokinetics of Antimicrobials in Endophthalmitis	265
Thirumurthy Velpandian and Madhu Nath	
Part IV Science of Endophthalmitis Treatment: Microbiology	
24 Microbiology: Collection of Ocular Specimens, Processing and Interpretation of Results	283
Savitri Sharma	
25 Molecular Methods in the Diagnosis of Endophthalmitis	293
Savitri Sharma	

26 Microbiology of Common Bacteria and Fungi	299
Savitri Sharma	
27 Trend and Challenges of Antimicrobial Susceptibility of Bacteria and Fungi Causing Endophthalmitis: A Microbiological Perspective on Global Trends	311
Joveeta Joseph, Bhavani Sontam, and Savitri Sharma	
Part V Science of Endophthalmitis Treatment: Pathology	
28 Pathology of Endophthalmitis	333
Ranju Kharel (Sitaula), Chanchal Poddar, and Jyotirmay Biswas	
Part VI Prophylaxis and Prevention	
29 Endophthalmitis Prophylaxis: Different Practices from Around the World	345
Victor M. Villegas, Stephen G. Schwartz, Andrzej Grzybowski, Nidhi Relhan, and Harry W. Flynn Jr.	
30 Guidelines for Safe Surgery	357
Taraprasad Das, Savitri Sharma, and Mudit Tyagi	
Part VII Clinical Trials in Endophthalmitis	
31 Clinical Trials in Endophthalmitis	369
Taraprasad Das	
32 Endophthalmitis Vitrectomy Study	373
Taraprasad Das	
33 European Society of Cataract and Refractive Surgeons’ Antibiotic Prophylaxis Study in Cataract Surgery	383
Taraprasad Das	
34 Povidone-Iodine Prophylaxis in Endophthalmitis	391
Taraprasad Das	
35 Dexamethasone in Endophthalmitis	397
Taraprasad Das	
Index	401

Endophthalmitis

A Guide to Diagnosis and Management

Das, T. (Ed.)

2018, XVII, 409 p. 96 illus., 88 illus. in color., Hardcover

ISBN: 978-981-10-5259-0
