

Contents

1	Introduction	1
1.1	Cultural Competence Defined	1
1.2	Cultural Competence-Related Terms	3
1.3	The Historical Development of Cultural Competence	3
1.4	What Does Cultural Competence Encompass	4
1.5	A Multilevel Framework for Cultural Competence in Healthcare	5
1.6	The Purpose of This Book	6
1.7	The Objectives of This Book	6
1.8	Structure of the Book	7
1.8.1	Chapter 2: The Drivers of Cultural Competence	7
1.8.2	Chapter 3: Methods	7
1.8.3	Cultural Competence: A Multilevel, Systematic Scoping Review	7
1.8.4	Chapter 4: Health Workforce Development Interventions to Improve Cultural Competence	8
1.8.5	Chapter 5: Cultural Competence Education and Training Interventions for Health and Medical Students	8
1.8.6	Chapter 6: Programs and Services to Improve Cultural Competence in Healthcare	8
1.8.7	Chapter 7: Health Organisation and System Cultural Competence Interventions	9
1.8.8	Chapter 8: Cultural Competence Strengths, Weaknesses and Future Directions	9
1.8.9	Chapter 9: Multilevel Cultural Competence Intervention Implementation and Evaluation Framework	9
	References	9

2 The Drivers of Cultural Competence	13
2.1 Introduction: The Conceptual Underpinnings of Cultural Competence	13
2.1.1 Pathway 1: Cultural or Sociocultural Differences	13
2.1.2 Pathway 2: Healthcare Disparities	14
2.2 Pathway 1: Culture and Sociocultural Differences	15
2.2.1 What Is Culture?	16
2.2.2 Sociocultural Differences and Healthcare Appropriateness	17
2.2.3 Conflating Culture with Ethnicity and Race	18
2.2.4 Worldviews, Language and Healthcare Appropriateness	19
2.2.5 Increasing Population Diversity	21
2.3 Pathway 2: Disparities in Healthcare Treatment and Quality	22
2.3.1 The Role of Bias in Healthcare Disparities	24
2.3.2 The Social Determinants of Health	26
2.3.3 Racism as a Social Determinant of Health	28
2.3.4 Colonisation as a Social Determinant of Health	29
2.4 The Centrality of Power, Voice and Control	30
2.5 Summary: Complexity in the Cultural Competence Conceptual Landscape	31
2.6 Conclusion	33
References	33
3 Methods	41
3.1 Introduction	41
3.2 Inclusion/Exclusion Criteria	41
3.3 Search Strategy	42
3.3.1 Identification, Screening and Inclusion of Publications	44
3.3.2 Data Extraction and Analysis	45
3.3.3 Limitations of the Review	46
References	46
4 Health Workforce Development Interventions to Improve Cultural Competence	49
4.1 Background	49
4.2 Characteristics of Workforce Development Interventions	51
4.3 Cultural Competence Workforce Development Intervention Strategies	51
4.3.1 Cultural Competence Training	53
4.3.2 Professional Development Interventions	55
4.3.3 Delivery Mode	58
4.4 Intervention Outcomes	58
4.5 Measurement and Study Quality	60
4.6 Conclusion	61
References	62

5 Cultural Competence Education and Training for Health and Medical Students	65
5.1 Introduction	65
5.2 Characteristics of Education and Training Interventions.	66
5.3 Education/Training Intervention Strategies and Their Components.	66
5.3.1 Integration of Cultural Competency into Curriculum	66
5.3.2 Cultural Immersion	68
5.3.3 Cultural Education and Training	70
5.4 Intervention Outcomes.	71
5.5 Methodological Quality of Evaluations.	71
5.6 Conclusion	72
References.	73
6 Services and Programs to Improve Cultural Competency	75
6.1 The Role of Programs and Services in Culturally Competent Healthcare Systems	75
6.1.1 Diversity of Terminology in the Cultural Competence Literature.	76
6.1.2 Cultural Adaptation of Health Programs and Services	77
6.1.3 A Continuum of Adaptation Strategies	78
6.1.4 Research Evidence on the Effectiveness of Programs and Services.	79
6.2 Characteristics of Programs and Services to Improve Cultural Competence	80
6.3 Intervention Strategies to Improve the Cultural Competency of Programs and Services.	80
6.3.1 Community-Oriented Strategies	82
6.3.2 Culture-Oriented Strategies	85
6.3.3 Language-Oriented Strategies	87
6.4 Cultural Competence Intervention Outcomes	90
6.5 Study Quality	92
6.6 Conclusion	93
References.	93
7 Health Organisation and System Cultural Competence Interventions	99
7.1 Introduction	99
7.2 Results	101
7.3 Principles for Implementation	101
7.3.1 User Engagement.	101
7.3.2 Organisational Readiness and Commitment	103
7.3.3 Multiple Sites of Delivery	104
7.4 Health System Cultural Competence Intervention Strategies	104
7.4.1 Audit and Quality Improvement Approaches Conducted Across or Within Health Services	104

7.4.2	Evaluations of Service-Level Policies and/or Strategies for Cultural Competence	106
7.5	Health System Interventions Outcomes	107
7.5.1	Organisational Healthcare Systems Outcomes	108
7.5.2	Client/Practitioner Encounter Outcomes	109
7.5.3	National Outcomes	109
7.6	The Quality of Available Evidence	110
7.7	Conclusion	110
	References	111
8	Cultural Competence Strengths, Weaknesses and Future Directions	115
8.1	Addressing the Drivers of Cultural Competence	115
8.1.1	Evidence Supporting the Positive Impact of Cultural Competence Interventions on the Effects of Sociocultural Differences in Healthcare	115
8.1.2	Evidence Supporting the Positive Impacts of Cultural Competence Interventions on Healthcare and Health Disparities	116
8.1.3	What Are the Major Gaps in the Evidence in Cultural Competence Literature?	118
8.2	Improved Measures to Assess the Impacts of Cultural Competence Interventions	118
8.3	Attention to Issues of Power	121
8.4	Conclusion	122
	References	122
9	Multilevel Cultural Competence Intervention Implementation and Evaluation Framework	127
9.1	A Multilevel Framework for Cultural Competence in Healthcare	127
9.2	Evaluating Multilevel Interventions	131
9.3	Conclusion	132
