<b>1</b>	<b>Acquired Brain Injury</b>	<b>1</b>
1.1	Introduction	1
1.2	Acquired Brain Injury(ABI)	3
1.3	Introducing Brain Injury Through Experience.	5
1.4	Gaining Information About ABI.	6
1.4.1	Information from the World Wide Web	7
1.5	How Narratives Provide Another Way to View ABI	12
1.5.1	Books Written by People with ABI: Narratives from the ‘Emic’ (Merleau-Ponty, 1962) ‘Insider’s’ Perspective	15
1.5.2	Dr. Mark Sherry’s Book	17
1.5.3	Books Written by People with ABI with Their Family Members	18
1.5.4	Narratives Written by Family Members.	19
1.6	Narratives Presented on the World Wide Web	19
1.7	Self-Help Books	20
1.8	Developing a Focus for the Current Research.	21
1.8.1	Application of van Maanen’s Fieldwork, Textwork and Headwork	21
1.9	The Aims of the Study	22
1.10	Recapitulation.	26
	References.	26
<b>2</b>	<b>Understanding the Assumptions of Major Models of Disability Theory</b>	<b>31</b>
2.1	Introduction	31
2.2	Differences in Perspectives of Disability.	33
2.2.1	The Body-Object Model	33
2.2.2	The Moral Model	35
2.2.3	The Medical Model.	40

2.2.4	The Social Model . . . . .	44
2.3	Recapitulation . . . . .	47
	References . . . . .	48
<b>3</b>	<b>Body-Object Knowledge and Its Relevance . . . . .</b>	<b>53</b>
3.1	Introduction . . . . .	53
3.2	ABI and the Medical Model Findings . . . . .	54
3.3	Some Categories of Body-Object Research . . . . .	55
3.3.1	IQ Loss After ABI . . . . .	55
3.3.2	Memory Loss After ABI . . . . .	56
3.3.3	Depression/Suicide After ABI . . . . .	57
3.3.4	Fatigue After ABI . . . . .	58
3.3.5	Coping Strategies of People with ABI . . . . .	58
3.3.6	Pain Following ABI . . . . .	59
3.3.7	Self-awareness After ABI . . . . .	60
3.3.8	Post-traumatic Stress Disorder After ABI . . . . .	61
3.3.9	Learning Difficulties After ABI . . . . .	61
3.3.10	Cognitive Rehabilitation Therapy . . . . .	62
3.3.11	Other Areas of Focus in Studies . . . . .	62
3.4	Some Reflections on Quantitative Body-Object Research . . . . .	63
3.5	Recapitulation . . . . .	66
	References . . . . .	67
<b>4</b>	<b>The Body-Subject Perspective of ABI—A Literature Review of Qualitative Studies . . . . .</b>	<b>73</b>
4.1	Introduction . . . . .	73
4.1.1	Intentionality: Another Way to Consider ABI . . . . .	75
4.2	ABI from the Qualitative Body-Subject, Emic, Insider's Perspective . . . . .	79
4.3	Qualitative Academic Research: The Insider's Experience from the Outsiders' Perspective . . . . .	81
4.4	Narrative as the Insider's Perspective of ABI . . . . .	84
4.4.1	Narrative to Reveal the Insider's Perspective: Books Written by Professionals . . . . .	85
4.5	Recapitulation . . . . .	87
	References . . . . .	88
<b>5</b>	<b>Reflection, Understanding and Insight from the Educational/ Learning Perspective . . . . .</b>	<b>93</b>
5.1	Introduction . . . . .	93
5.2	Scaffolding Learning: The Place of, Educational Theories, Motivation and Flow . . . . .	95
5.2.1	Motivation and Engagement as Crucial Elements in the Learning Process . . . . .	96
5.2.2	Engagement Is Influenced by Expectations and Self-perceptions . . . . .	97

5.2.3	Active or Experiential Learning . . . . .	101
5.2.4	'Flow' . . . . .	102
5.2.5	The Theory of Association . . . . .	103
5.2.6	Learning in a 'Community' . . . . .	104
5.3	Educational Theories About Cognition and Learning . . . . .	105
5.3.1	Cognition. . . . .	105
5.3.2	Cognitive Rehabilitation . . . . .	106
5.3.3	Cognition/Thinking Involves Steps and Skills . . . . .	106
5.3.4	Learning Styles . . . . .	108
5.3.5	Multiple Intelligence . . . . .	108
5.4	Recapitulation. . . . .	110
	References. . . . .	111
<b>6</b>	<b>Capturing Insights. . . . .</b>	<b>115</b>
6.1	Introduction . . . . .	115
6.2	Keys to the ABI Cage—Contents of the Method . . . . .	116
6.3	Alternate Ways to Conduct the Interview . . . . .	116
6.4	The Sample. . . . .	119
6.4.1	Sample Sizes . . . . .	119
6.4.2	Type of Sample (Inclusion Criteria) of Participants with ABI. . . . .	119
6.5	Interviews and Their Importance . . . . .	121
6.6	Keys to the ABI Cage—The Study Procedure . . . . .	121
6.7	Ethics . . . . .	128
6.8	Analysing the Data. . . . .	129
6.8.1	The Phenomenological Approach to Data Analysis/ Understanding . . . . .	129
6.8.2	Applying Smith and Osborne (2008): A Worked Example . . . . .	131
6.9	Recapitulation. . . . .	133
	References. . . . .	134
<b>7</b>	<b>Understanding What Negatively Affects the Lifeworld of People with ABI . . . . .</b>	<b>137</b>
7.1	Introduction . . . . .	137
7.2	Factors that Negatively Affect the Lifeworld of Participants with ABI. . . . .	139
7.2.1	Loss, Lost and Trapped. . . . .	139
7.2.2	No Longer Like a 'Normal' Human Being . . . . .	142
7.2.3	Grappling with Emotional Fallout . . . . .	143
7.2.4	The Rehab Experience Didn't Suit the Individual . . . . .	146
7.2.5	Recapitulation . . . . .	147
7.3	Mothers and Wives': Factors that Have a Negative Impact on the Life of Their Loved Ones . . . . .	148

7.3.1	Factors that Negatively Affect the Lifeworld of People with ABI from the Perspective of Mothers and Wives . . . . .	148
7.3.2	Lack of Understanding and Guilt . . . . .	148
7.3.3	Being Judged by Others—The Stigma of ABI . . . . .	150
7.3.4	Sadness for the Future . . . . .	151
7.3.5	Recapitulation . . . . .	152
7.4	Professionals: Factors that Have a Negative Impact on the Life of Their Clients . . . . .	152
7.4.1	Factors that Negatively Affect the Life of People with ABI . . . . .	153
7.4.2	The Losses of ABI . . . . .	153
7.4.3	People Don't Understand ABI . . . . .	154
7.4.4	Emotional Challenges . . . . .	155
7.4.5	Brain Injury Is a Bugger . . . . .	156
7.5	Recapitulation . . . . .	156
	References . . . . .	158
<b>8</b>	<b>Factors that Positively Affect the Lifeworld of the Person with ABI: 'Keys' for Change . . . . .</b>	<b>159</b>
8.1	Introduction . . . . .	159
8.2	Factors that Positively Affect the Life of People with ABI . . . . .	160
8.2.1	Hope . . . . .	161
8.2.2	Love . . . . .	163
8.3	Learning to Understand ABI and Working Things Out . . . . .	165
8.3.1	Learning to Face the Facts (Acceptance) . . . . .	167
8.3.2	Making Progress—Brain Injury Is not All Bad . . . . .	168
8.3.3	'Many Keys' and 'Constructivist Circumambulation' . . . . .	169
8.3.4	Triggers and Turning Points . . . . .	170
8.4	Wives and Mothers: Factors that Positively Affect the Life of People with ABI . . . . .	171
8.4.1	Love . . . . .	171
8.4.2	Information They Could Understand . . . . .	171
8.4.3	Developing Some 'Quality of Life' . . . . .	172
8.4.4	Recapitulation . . . . .	173
8.5	Professionals: Factors that Positively Affect the Life of Clients with ABI . . . . .	173
8.5.1	Group X: The Professional Fills the Gap After the Person Leaves Rehabilitation . . . . .	174
8.5.2	Group Y: The Person's Acceptance and Attitude Is Important—Hope, Love and Dreams . . . . .	175
8.6	Recapitulation . . . . .	176
	References . . . . .	177

<b>9</b>	<b>Discussion: Illuminating ‘Blind Spots’ for the Health Service Providers</b>	179
9.1	Introduction	179
9.2	Understanding Negative Blind Spots	184
9.3	Drawing on Positive Blind Spots	191
9.4	Scaffolding Learning—Summary for Readers, for People with ABI, Family Carers and Professionals	197
	References.	199
<b>10</b>	<b>Parting Thoughts: Finding a Balance</b>	203
10.1	Looking Back at Keys to the ABI Cage	203
10.1.1	Principles Induced from the Genesis of the Cage	203
10.1.2	The Learning Dimension	204
10.2	Implications of the Study Findings	207
10.3	Study Limitations	213
10.4	A Final Few Words	214
	References.	215
	<b>Glossary</b>	217

Insight into Acquired Brain Injury  
Factors for Feeling and Faring Better  
Durham, C.; Ramcharan, P.  
2018, XIX, 219 p. 60 illus., Hardcover  
ISBN: 978-981-10-5665-9
