

Preface

This volume composes the proceedings of the Eleventh International Conference on Genetic and Evolutionary Computing (ICGEC 2017), which is hosted by Fujian University of Technology and is held in Kaohsiung, Taiwan, on November, 6–8, 2017. ICGEC 2017 is technically co-sponsored by Springer, Fujian Provincial Key Laboratory of Big Data Mining and Applications, Fujian University of Technology, National University of Kaohsiung, Harbin Institute of Technology, National Kaohsiung University of Applied Science, and VSB-Technical University of Ostrava. It aims to bring together researchers, engineers, and policymakers to discuss the related techniques, to exchange research ideas, and to make friends.

Twenty-four excellent papers were accepted for the final proceeding. We would like to thank the authors for their tremendous contributions. We would also express our sincere appreciation to the reviewers, Program Committee members, and the Local Committee members for making this conference successful. Finally, we would like to express special thanks for the financial support from Fujian University of Technology, China, in making ICGEC 2017 possible and also appreciate the great help from National Kaohsiung University of Applied Science for local organizing the conference.
