

Contents

Part I Sustainable Energy and Transportation Technologies

Introduction to Sustainable Energy, Transportation Technologies, and Policy	3
Jai Gopal Gupta, Sudipta De, Anirudh Gautam, Atul Dhar and Ashok Pandey	
Shifting Focus from Supply to Demand—The Changing Face of Transportation Towards Sustainability	9
Ashish Verma	
Sustainable Transport Solutions for the Concept of Smart City	21
Minu Joshi, Ajay Vaidya and Manali Deshmukh	
Role of Electric Vehicles in Future Road Transport	43
Punit Kumar, K. N. Srivastava and Atul Dhar	
Supplementing the Energy Need of Diesel Engines in Indian Transport and Power Sectors	61
Achinta Sarkar, Maryom Dabi and Ujjwal K. Saha	
Unconventional Technologies for Sustainable Coal Energy in India	87
Nirmal Mallick and Prabu Vairakannu	

Part II Sustainable Energy Policies

Investments in Clean Energy in South Asia: Visiting Barriers and Gaps from the Perspective of Policies and Politics	115
Anupa Ghosh and Duke Ghosh	
A Narrative Analysis of State-Level Renewable Energy Policies in India	137
Shyamasree Dasgupta and Pooja Sankhyayan	

Improving the Sustainability of Wastewater Treatment Through Solar-Assisted Multiple Effect Evaporators	149
Soundaram Ramanathan and Dibakar Rakshit	
Making Indian Power Sector Low Carbon: Opportunities and Policy Challenges.	163
Nandini Das and Joyashree Roy	
Waste Heat Recovery Policy	185
Piyali Sengupta, S. K. Dutta and B. K. Choudhury	
Part III Enactment of Sustainable Energy	
Role of Biomass for Sustainable Energy Solution in India	209
Kuntal Jana, Pinakeswar Mahanta and Sudipta De	
Biomass-Based Distributed Energy Systems: Opportunities and Challenges	235
Sudip Ghosh	
Individual Consumption and Its Effects on Carbon Emissions: A Comparison of Developed and Developing Countries	253
Pragya Gupta and Madhumati Dutta	
Patterns of Energy Consumption in Manufacturing: Looking at the Eastern States of India	275
Gopa Ghosh and Madhumati Dutta	

Sustainable Energy and Transportation
Technologies and Policy

Gautam, A.; De, S.; Dhar, A.; Gupta, J.G.; Pandey, A.
(Eds.)
