

Summary of Comments on Visit Wildflower Farm

Page: 1

Sequence number: 1

Author: monica

Date: 8/10/2001 6:48:58 PM

Type: Note

is this font punchy enough? didn't want to detract from the images

Sequence number: 2

Author: monica

Date: 8/10/2001 6:51:26 PM

Type: Highlight

headings use custom colors and font as per website block

Sequence number: 3

Author: george

Date: 8/10/2001 7:04:27 PM

Type: Note

what do you think of using this entire block? should it be rebuilt?

Sequence number: 4

Author: george

Date: 8/10/2001 6:05:29 PM

Type: Note

i used .2" separation for all images. there are differences in sizes to fit page layouts.

Sequence number: 1

Author: monica

Date: 8/10/2001 5:49:45 PM

Type: Note

i kept all the content and separated the blocks as in the web pages

Sequence number: 2

Author: george

Date: 8/10/2001 6:06:04 PM

Type: Note

color block is subset of main graphic. top or bottom?

Page: 4

Sequence number: 1

Author: monica

Date: 8/10/2001 5:50:28 PM

Type: Note

this is the same color as the bar at the top. is it important enough?

Sequence number: 2

Author: george

Date: 8/10/2001 7:07:30 PM

Type: Square

do we need a footer? maybe a smaller version of the floral logo and a label?
