

## **Contents**

### **Section 1 History, Environment and Plant Science**

#### **1 History and Environment of the Nordic Mountain Birch**

F.E. WIELGOLASKI

#### **2 Soils and Nutrients in Northern Birch Forests: A Case Study from Finnmarksvidda, Northern Norway**

K.-D. MEIER, D. THANNHEISER, J. WEHBERG and V. EISENMANN

#### **3 Vegetation of the Mountain Birch Forest in Northern Fennoscandia**

J. WEHBERG, D. THANNHEISER and K.-D. MEIER

#### **4 Biomass and Production on a Landscape Level in the Northern Mountain Birch Forests**

H. TØMMERVIK, F.E. WIELGOLASKI, S. NEUVONEN, B. SOLBERG and K.A. HØGDA

#### **5 Mountain Birch Growth in Relation to Climate and Herbivores**

P.S. KARLSSON, M. WEIH and C. BORG

#### **6 Responses of Temperature Changes on Survival and Growth in Mountain Birch Populations**

O. SKRE, J. NILSEN, M. NAESS, B. IGELAND, K. TAULAVUORI, E. TAULAVUORI and K. LAINE

#### **7 Phenology and Performance of Mountain Birch Provenances in Transplant Gardens: Latitudinal, Altitudinal and Oceanicity--Continentality Gradients**

J. OVASKA, J. NILSEN, F.E. WIELGOLASKI, H. KAUKANEN, R. PARTANEN, S. NEUVONEN, L. KAPARI, O. SKRE and K. LAINE

#### **8 Synthesis Section 1: A Dynamic Forest in a Changing Environment**

P.S. KARLSSON, and F.E. WIELGOLASKI

### **Section 2 Herbivory**

#### **9 Forest Defoliation Risks in Birch Forests by Insects Under Different Climate and Land Use Scenarios in Northern Europe**

S. NEUVONEN, H. BYLUND and H. TØMMERVIK

#### **10 Birch Sapling Responses to Severity and Timing of Domestic Herbivore Browsing -- Implications for Management**

A.J. HESTER, K. LEMPA, S. NEUVONEN, K. HØGH, J. FEILBERG, S. ARNTHÓRSDÓTTIR and G. IASON

**11 Effects of Reindeer Grazing on Pastures in a Mountain Birch Ecosystem**

K. LEMPA, S. NEUVONEN and H. TØMMERVIK

**12. Long-Term Influence of Herbivores on Northern Birch Forests**

O. TENOW, H. BYLUND, A.C. NILSEN and P.S. KARLSSON

**13 Synthesis Section 2: Herbivory in Northern Birch Forests**

S. NEUVONEN and F.E. WIELGOLASKI

**Section 3 Human Impact**

**14 Rates and Processes of Natural Regeneration in Disturbed Habitats**

B. C. FORBES, A. TOLVANEN, F.E. WIELGOLASKI and K. LAINE

**15 Recreation at the Tree Line and Interactions with Other Land Use Activities**

A. TOLVANEN, B. C. FORBES, S. WALL and Y. NOROKORPI

**16 Economic Limits and Possibilities for Sustainable Utilization of Northern Birch Forests**

B. SOLBERG, H. TØMMERVIK, D. THANNHEISER and S. NEUVONEN

**17 The Vegetation Changes and Recent Impact on the Mountain Birch Forest During the Last 40 Years**

D. THANNHEISER, H. TØMMERVIK and J. WEHBERG

**18 Sámi Approaches to Mountain Birch Utilization in Northern Sápmi (Finland and Norway)**

M.S. AIKIO and L. MÜLLER-WILLE

**19 Sustainable Reindeer Herding in the Mountain Birch Ecosystem**

K. LEMPA, S. NEUVONEN and H. TØMMERVIK

**20 Synthesis Section 3: Competition over Nature, Space, Resources, and Management in the Northern Mountain Birch Forest Ecosystem: A Synthesis**

D. THANNHEISER, L. MÜLLER-WILLE, F.E. WIELGOLASKI and K.-D. MEIER

**Section 4 Modelling Dynamics of Mountain Birch Forests, Management and Future**

**21 Landscape-Scale Model Relating the Nordic Mountain Birch Forest Spatio-temporal Dynamics to Various Anthropogenic Influences, Herbivory and Climate Change**

A.O. GAUTESTAD, F.E. WIELGOLASKI and I. MYSTERUD

**22 Scenarios for Future Development of the Mountain Birch Ecosystem**

A.O. GAUTESTAD, F.E. WIELGOLASKI, B. SOLBERG and I. MYSTERUD

**23 Managing the Mountain Birch Ecosystem: Local Communities and the State in Finland's Forestry**

L. MÜLLER-WILLE, M.S. AIKIO and V. LUHTA

**24 Policies and Developing Plans Towards Sustainability of Mountain Birch Ecosystems in Scandinavia**

L. BÄCK, B. SOLBERG, H. TØMMERVIK and F.E. WIELGOLASKI

**Section 5 Integration and Conclusion**

**25 The Nordic Mountain Birch Ecosystem-Challenges to Sustainable Management**

F.E. WIELGOLASKI, P.S. KARLSSON, S. NEUVONEN, D. THANNHEISER, H. TØMMERVIK and A.O. GAUTESTAD

**Subject Index**

**CD-ROM** containing additional material to Chapters 2, 3, 7, 10, 11, 18, 21, and 22 enclosed at the end of the book
