

## **Azo-compounds**

1. 2,2-azonaphthalin
2. 2,2-diamino-1,1-naphthyl
3. m-methyl-p-dimethylaminoazobenzene
4. o-aminoazotoluene
5. p-aminoazobenzene
6. p-dimethylaminoazobenzene (butter yellow)
7. p-monomethylaminobenzene

## **Hydrocarbon compounds**

- |                             |                         |
|-----------------------------|-------------------------|
| 1. 2-aminofluorene          | 7. Acetylaminofluorene  |
| 2. 4-aminostilben           | 8. Carbon tetrachloride |
| 3. 2-anthramine             | 9. Ethylurethane        |
| 4. 1,2-benzanthracene       | 10. Methylcholanthrene  |
| 5. 1,2,5,6-dibenzanthracene | 11. Thioacetamide       |
| 6. 3,4,5,6-dibenzkarbazole  |                         |
